For the social cause of educating young children with active and creative minds, our first president Shri Rajendra Singhji founded Shri Guru Tegh Bahadur Shaikshanik Vikas Samiti. Our next president Sardar Hardayal Singhji developed schools and made the names of schools. Since then our Samiti has been educating children of Ratlam city and surrounding towns. Samiti's main aim consists in providing better education to young children, though much has changed over the years, our mission remains the same. One of our Samiti's milestone Shri Guru Tegh Bahadur Academy was started in the year 2001. This Academy is committed to developing students of high academic achievement, intellectual curiosity, and strong moral character. As a result, year after year, Academy produces respectful, responsible, and compassionate young adults, who are well prepared to tackle the challenges of after school competition.
